Over 30 Top Stars Bring You The Album Buy of the Year!

This All-New Three-Album Set, For Only \$3! [Hate to use all those exclamation points, but sometimes your mind wanders, Fats.]

LOONEY TUNES MERRIE MELODIES

Over 36 Selections Starring—James Taylor. Grateful Dead. Little Richard. Kinks. Van Morrison. Beach Boys. Frank Zappa. Mothers of Invention. John Sebastian. Ry Cooder. Arlo Guthrie. Youngbloods. Lovecraft. Gordon Lightfoot. Fleetwood Mac. Jimi Hendrix. Sweetwater. And *Many More Top Artists.*

This brand-new album is brought you at rock-bottom, no-profits cost by all these worried Warner Reprise Records artists. They're worried because, in the glut on our airwaves, maybe you haven't heard their latest albums.

Now—because they (and we) have given up all profits to bring you this album at cost—you can tune into the music all these artists think you should be into, and do it pretty cheaply.

Looney Tunes and Merrie Melodies is three high-quality, stereo albums. Packed in a box, with a booklet that tells all about it. Hopefully, *Looney* will induce you to run out and buy these artists' full albums at regular prices; that's your business, though.

You can't get this album in stores; only by mail, cutting out the middle man. You should send for it, because it really *is* good.

And now, because at \$3, we can't run this ad forever.
